a programm from:

Das e:du-Program

What is e:du?

e:du is an offer.

An offer for parents.

For children aged 6 months to 3 years.

With e:du, parents and children learn together.

That makes parents and children strong.

It's fun for everyone and encourages your child.

e:du takes 30 weeks.

e:du costs no money.

How does e:du work?

A staff member will visit you once in the week.

Or you can meet outside.

They bring you books and toys.

They show you how e:du works.

At home you learn with your child together.

Group-Meeting:

At e:du there are also meetings with parents.

The meetings are every 2 weeks.

The meetings lasts for 2 hours.

We talk about e:du and parenting topics.

We also go on excursions.
